SUPPLEMENTAL EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Meara on May 6, 2005.

The application has been amended as follows:

This amendment is made solely because the printer was not able to read the claims in the previous file. Therefore, a new copy of the allowed claims is attached which will hopefully be clearer for the printer.

2. The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

The drawings as amended are attached. These drawings are necessitated by the inaccurate scanning by the PTO of figure 1. Hopefully, these will be scanned in correctly.
